## About Us

- **PANNA INDUSTRIES**, based in Delhi, is a distinguished unit of **MAHENDRA INDUSTRIAL**, a legacy enterprise known for its unwavering commitment to quality and genuineness in the industrial sector for several years.
- Upholding the values of trust, reliability, and customer satisfaction, Panna Industries has emerged as a prominent name in the bearing industry across India and Abroad with extensive supply operations.
- We have built a robust distribution network that ensures timely delivery and consistent product quality. Expanding beyond national boundaries, we proudly export our bearings to South Africa and Kuwait, catering to global demand with the same dedication and standards. We specialize in premium-quality bearings from world-renowned brands.
- As part of our growing operations, we are **Currently Importing SKF Bearings**, ensuring that our clients have access to the best products available worldwide.

# Our Product

We Offer An Extensive Range of High-performance Bearings, Suitable For Diverse Industrial Applications:

## Ball Bearings

### Type of Bearing

1

- Deep Groove Ball Bearings
- Angular Contact Ball Bearings
- Self-aligning Ball Bearings

2

### Type of Bearing

- Single Row Bearings
- Double Row Ball Bearings
- Four Row Ball Bearings

## Tapered Roller Bearings

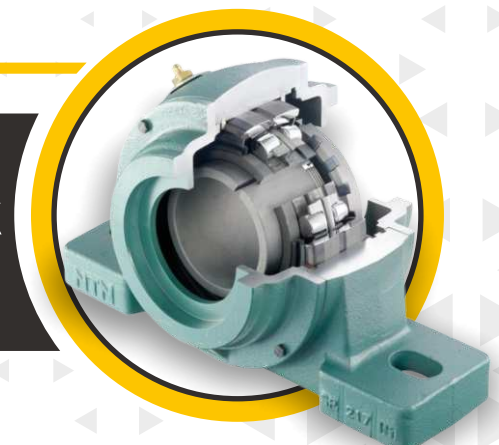

4

### Type of Bearing

- Pillow Block Units
- Flanged Units
- Take-Up Units

## Plumber Block Bearings

### Type of Bearing

3

- Spherical Roller Bearings
- Self-Aligning Roller Bearings

## Spherical Bearings

## Type of Bearing

- Linear Ball Bearings
- Linear Motion
- Guides Slide Uniting

## Linear Bearings

## Special Bearings

## • Ceramic Bearings

For high-speed and high-temperature applications ceramic bearings – for high-speed and high-temperature applications.

## • Automotive Bearings

Designed for robust vehicle performance.

## • Turbine Bearings

Precision components for energy sector applications.

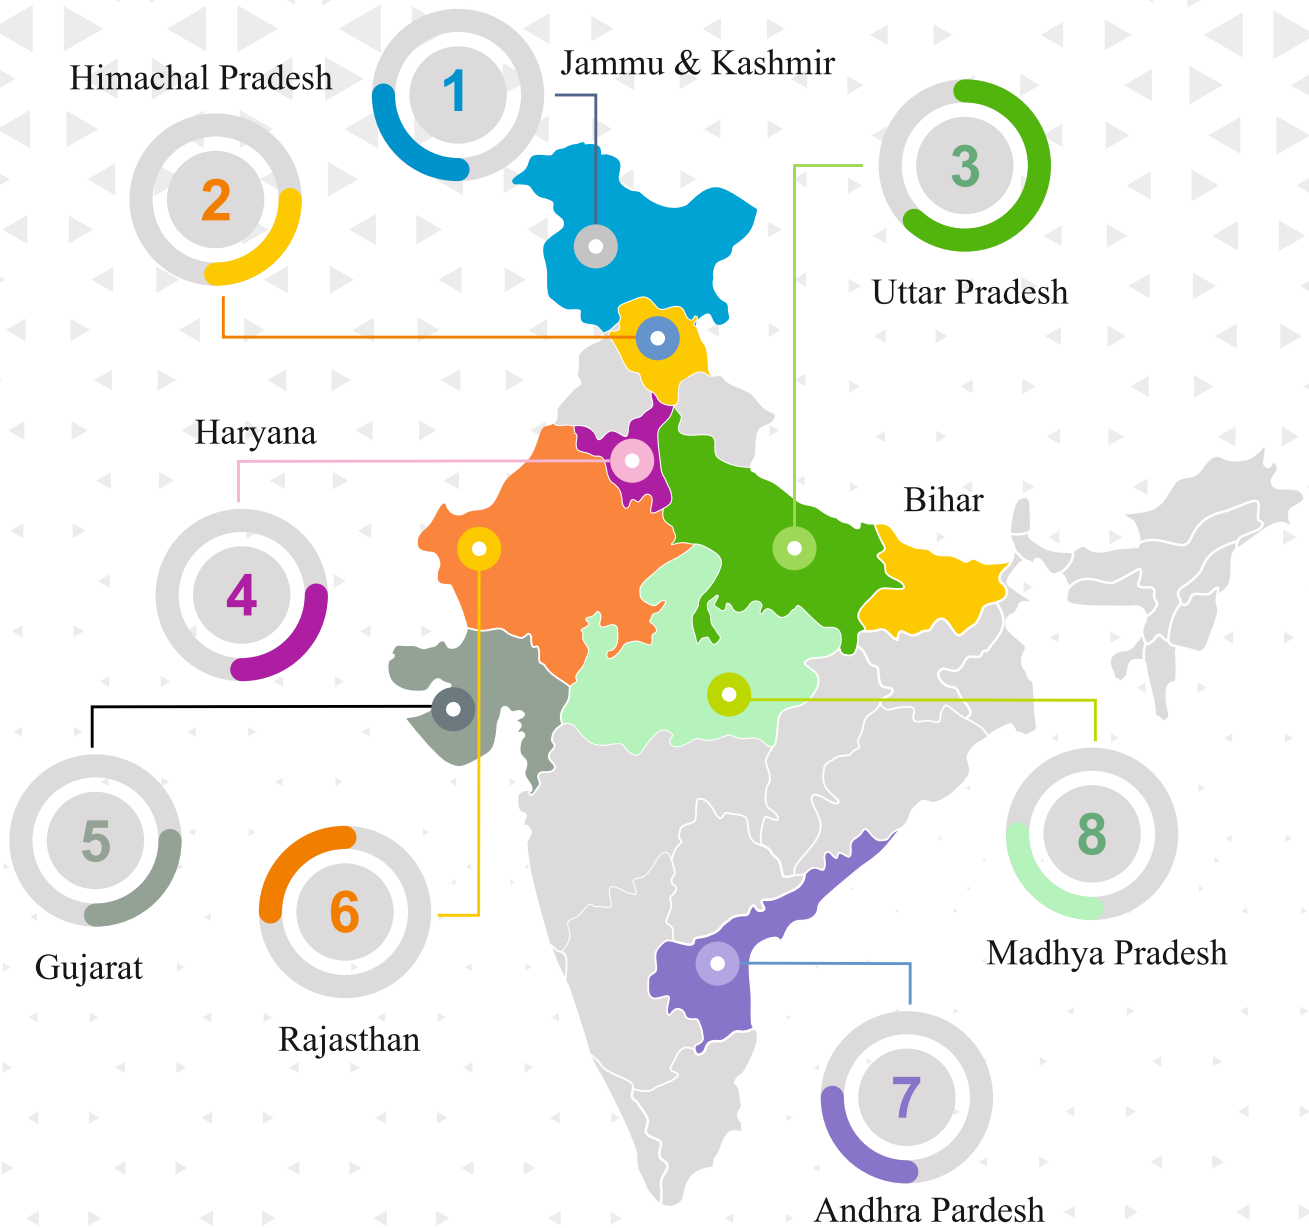

We Deal In Premium International Brands, Including

All our products are authentic, certified, and sourced from original manufacturers to ensure you receive the highest quality components for your machinery and operations.

# Our Presence

We proudly serve clients across India in the following states:

## International Markets:

### South Africa

### Kuwait

## Why Choose Panna Industries?

- Authenticity Guaranteed
- Global Standard Quality Bearings
- Wide Product Range
- Trusted Brand Partnerships
- Pan-India & Global Reach
- Client-Centric Approach
